County of Brooklyn

Re: Cohen v. Sully
Docket No. 1:09-CV-03870-ARR-RER

Dear Magistrate Judge Reyes:

Approximately one year ago, I settled this action before you in open Court. Opposing counsel, however, has never returned any of the settlement documents I have sent him, thereby preventing my client, Mr. Cohen, from completing the refinance of his house.

May we have a conference to discuss this, or can the Court issue an Order entitling me to execute the settlement documents on behalf of the defendants?

Respectfully Submitted,

Edward J. Grossman
